## LA PLAGNE-PARADISKI THE PEAK OF PERFECTION

FOR A 200% MOUNTAIN EXPERIENCE

La Plagne boasts nearly 225 km of pistes. And it's an integral part of Paradiski – one of the biggest ski areas in the world, dishing up 425 km of linked pistes. And with 70% of the ski area above 2,000 metres altitude, you'll always find yourself heading for new horizons.

# THE PISTES AT LA PLAGNE

A NEVER-ENDING PARADISE

## 133 PISTES

The 133 pistes at La Plagne really do offer something for everyone, from complete beginners to die-hard ski fanatics. ~

**LEISURE SKIING** No-pressure beginners' cruising on blue pistes all over the ski area.

**FULL-ON SKIING** Nearly half of our pistes are reds and blacks, enabling even the most experienced skiers to enjoy their ski holiday to the max.

## SPOTLIGHT

### LIVE 3000

Running from Roche de Mio up to La Plagne's highest point at 3,000 metres altitude, this incredible untamed area shows you another side of the mountains. The outlook from LIVE 3000 will take your breath away – whether you're on skis or on foot. Breathe in the mountain air, drink in the views and take in the vastness of the Alpine landscape – all year round. Why not take the lift up to 3,000 m for a different mountain experience?

### LE SIXIEME CIEL CAFÉ

At the top, Le Sixième Ciel is there for those who have experienced the incredible ride up. This welcoming and friendly café is the perfect spot for a bite to eat while you take in the view. You can sit inside or out on the terrace and soak up that wonderful top-of-the-world feeling.

### GLACIERS GONDOLA LIFT

#### Opening in December 2023

Altitude of bottom station: 2,715 m / top: 3,080m  
10-person gondolas / Capacity 2,700 skiers/hour  
Ascent duration: 10 min  
La Plagne investment: €26m

The first stage of an ambitious new construction programme between Plagne Bellecôte and the LIVE 3000 area, the Glaciers gondola lift runs from Roche de Mio up to the highest point in La Plagne. It's the new easy and safe way to reach high altitude – for skiers and everyone else too, all year round. Giving everyone the chance to experience the incredible feeling of being at 3,000 metres altitude.

## THE REASSURING WAY

TO GET INTO SKIING...

**CoolSki** is a new oh-so-easy progressive approach to learning to ski in complete safety. It uses special safe areas and recommended piste circuits on clearly marked, attractive and wide pistes. There are CoolSki zones in Montalbert, Montchavin, Plagne Centre, Champagny and Plagne Bellecôte – the no-pressure way to get started or re-learn to ski.

# PARADISKI YUGE

A NEW KIND OF APP FOR THE ULTIMATE SKI EXPERIENCE

For our skiers and boarders, we've come up with the Paradiski YUGE app, packed with a host of handy, fun features – everything from planning your holiday to tracking your runs. Your all-in-one ski buddy for the whole Paradiski area and around the resort. YUGE is tailored to your profile, offering you the info you need just when you need it.

And it's so much more than an app – YUGE is now a buzzing community of more than 700,000 users.

## THE SELFIE YOU CAN'T TAKE YOURSELF

Exclusive to the Paradiski area, our skiers and boarders can now go home with an original pic of their ski holiday: a selfie taken on a chairlift – with no risk of you dropping your phone on the way up! Simply scan your lift pass at the top of one of our two selfie chairlifts and get your pic sent straight to your phone in the YUGE app.

 BÉCOIN & COLOSSES CHAIRLIFTS

## ELECTRONIC SIGNAGE 2.0 FOR A CUTTING-EDGE SKI EXPERIENCE

We've installed more than 13 digital info boards all over the ski area, providing all the info you need throughout your day on the pistes. They deliver real-time info on your movements, the weather, and the pistes and lifts, ensuring your day on the pistes runs like clockwork!

# SKI PASSES

TAILOR YOUR PASS TO WHAT YOU WANT TO DO

At Paradiski, you get a variety of ski pass options tailored to what you want and what you need. With periods of validity ranging from 4 hours to 8 days, our ski passes are suitable for every kind of mountain holiday. And depending on the period of validity, we also offer a choice of ski pass packages featuring a bonus offer designed specifically to guarantee that you have the very best skiing experience possible.
